THE STORY: ZACK IS BACK...TO THE FUTURE!

In order to find out if his career will ever really take off, Australian actor/comedian Zack Adams decides he must travel through time to find his future self. In the year 2018, Zack finds himself on a comical, musical adventure involving a beautiful parking inspector, a man with two left hands and a 1979 Datsun Stanza. A stylistic mash-up of comedy, storytelling, slapstick, puppetry and music, ZACK TO THE FUTURE is one Fringe show you won't want to miss! **So get your DeLorean up to 88mph, fire up the TARDIS and get ready for an "excellent adventure".**

*"Zack Adams personifies the Fringe - original, multi-talented and able to do great things on a tiny budget."
-MEREDITH BOOTH – The Advertiser*

"A Fringe favourite." - Charlebois Post

This show is presented by Weeping Spoon Productions, an international award-winning independent production house from Australia. "The energy and atmosphere created on stage was remarkable with the performance greatly exceeding all my expectations...It was definitely a treat to see one man pull off a show of a genre that typically needs to employ a cast of hundreds..." -Natalie Vikhrov, FRESH FM (Australia)
